Sub-Committee (of the General Committee) to report to the Annual Meeting in December, 1905, upon "The best methods of organization and work on the part of State and Local Historical Societies"

REUBEN G. THWAITES, CHAIRMAN  
WISCONSIN HISTORICAL SOCIETY, MADISON, WIS.

BENJAMIN F. SHAMBAUGH  
IOWA HISTORICAL SOCIETY, IOWA CITY, IOWA

FRANKLIN L. RILEY  
MISSISSIPPI HISTORICAL SOCIETY, UNIVERSITY, MISS.

February 1, 1905.

The secretaries of societies receiving the accompanying list of queries will confer a favor by responding at their earliest convenience, as the members of the Committee would like to have all the data before them at their first conference, to be held early in the spring.

The questions have been framed upon the basis of the state societies; but secretaries of district or local societies can readily adapt them to their institutions.

Kindly mail reply to the member of the Committee who sends out this circular, as each member is expected to report upon a certain district: Mr. Thwaites upon the Northern and Central Atlantic States and the Old Northwest; Mr. Shambaugh upon the trans-Mississippi (save Arkansas, Louisiana, and Texas); and Mr. Riley upon the South.

In making replies, it will be a convenience to number them as per the numbering of the queries.

It is earnestly hoped that each and every active historical society in the United States will cordially co-operate with the Committee in this matter, to the end that a really adequate report may be rendered upon the work and status of these societies. The Committee hope that beneficial results may follow the present investigation; but this is not possible unless there be a full, frank, and general response to their circular of inquiry.

## Conference of Historical Societies

The fifteenth annual Conference will be held at Cleveland, Ohio, on the afternoon of Friday, December 29th, at the Hotel Hollenden, in connection with the meetings of the American Historical Association. A cordial invitation is extended to all historical societies to send delegates.

The program will consist in a discussion of War books and Poster collections, and the Conference will be held jointly with the Committee on Bibliography of the A.H.A. Mr. W.H. Cathcart, director of the Western Reserve Historical Society, will be chairman.

The secretary published the report of the proceedings of the 14th Conference at Philadelphia early in 1918 and has been in correspondence with various societies from time to time. The promised Handbook was unavoidably postponed on account of war conditions, but it is hoped will be published in 1919. The usual questionnaire is not sent out with this notice, but when the opportunity comes, the copy for the Handbook, which has been already prepared, will be sent out for correction.

Contributions have been received as follows:- Middlesex County (Conn) Historical Society, \$1.00; California Genealogical Soc. \$2.30; Chester Co.(Pa) H S \$4.00; Church H S \$2.05; Hunterdon Co.(NJ) H S \$1.00; Iowa State H S \$6.50; Lehigh Co.(Pa) H S \$1.60; Massachusetts H S \$5.00; Minnesota H S \$4.15; New Mexico H S \$1.00; Salem Co.(NJ) H S \$1.00; Sons of the Revolution, California,\$3.80; Women's Canadian H S of Ottawa \$1.48.

No further contributions will be asked until the Handbook is published.

Any suggestion for the Conference will be gladly received by the Secretary,

Augustus H Shearer,  
Grosvenor Library,  
Buffalo N.Y.

## TO THE MEMBERS:

The income of the American Historical Association is sufficient to provide the members with the American Historical Review and to pay the clerical expenses of the Association. The Association, however, undertakes a limited amount of work to further historical research. Such undertakings of the Association can be carried on only by an increase in dues or by voluntary contributions. During the past year the voluntary contributions made it unnecessary to consider the question of increasing dues, notwithstanding the increased cost of the American Historical Review. It is hoped that this year also the response on the part of members to the request for the additional one dollar in the nature of a contribution will be sufficient to provide for the needs of the Association.

## TO THE MEMBERS OF THE AMERICAN HISTORICAL ASSOCIATION :

As required by the by-laws, the Nominating Committee asks you to indicate your preferences for the offices to be filled at the coming annual meeting of the Association.

The present officers of the Association are: Charles M. Andrews, President; Dana C. Munro, First Vice-President; Henry Osborn Taylor, Second Vice-President; John S. Bassett, Secretary; Charles Moore, Treasurer; Carlton J. H. Hayes, Frederic L. Paxson, Henry P. Biggar, Mary W. Williams, A. M. Schlesinger, C. H. McIlwain, William K. Boyd, N. Neilson are the members of the Executive Council.

The Committee will follow the custom of nominating the First Vice-President for President and the Second Vice-President for First Vice-President. We shall also present the names of the present incumbents for the offices of Secretary and Treasurer. We ask your preference for the position of Second Vice-President.

Of the members of the Executive Council the two members who have served longest and who would naturally retire at the end of the current year are: Carlton J. H. Hayes and Frederic L. Paxson. The committee asks your preferences for two new members of the Council.

We wish also to ask for nominations for the Committee on Nominations. It appears to be the custom that some of the membership of that committee, and the chairman, should be changed every year. Four of the present committee, Charles Downer Hazen, chairman, Arthur C. Cole, Frances G. Davenport and Edward Raymond Turner, have served two years and should be replaced by others. Payson J. Treat has served only one year and it would seem desirable that he should be re-elected in order that the committee may not be entirely new. We ask your preferences for five members of the Committee on Nominations.

The Committee would welcome as full expression as possible of the desires of the members of the Association in reference to the vacancies mentioned and requests you to indicate your preferences on the other side of this sheet. Four years ago the Association decided that the results of the primary ballot were not mandatory on the Nominating Committee but recognized that the suggestions made would be of high value in enabling the committee to reach a satisfactory decision. The chairman of the committee will be out of the country until the first of October and the returns should be sent to Professor Arthur C. Cole, Ohio State University, Columbus, Ohio, or to the Treasurer of the Association. The Treasurer has kindly consented to forward to the Nominating Committee the suggestions received prior to the 15th of October.

Respectfully submitted,

Dear Mr. Noe,

In accordance with my promise at our recent conference, I am sending you under separate cover the reproduction in clay of the Astor Medal, which I am very glad to present to your institution. I am certain that I can readily procure another copy of it when I get back to Minnesota.

I want to take this opportunity to express to you my deep appreciation of the trouble that you took to get in touch with me, and of the valuable suggestions that you made concerning our campaign. I very much hope to have the opportunity to make a visit to your establishment before my departure from New York.

Dear Dr. Buck:-

Your letter and the reproduction of the Indian Peace Medal of which it speaks were both duly received. Thank you very much indeed. The reproduction is a highly successful one, and in addition to being so appropriate as a memento, it has the additional virtue, from our point of view, of being in no sense a counterfeit of the original. We are very glad to have this addition to our collection, and I hope there will be no difficulty in your securing another copy to replace the one which you have so generously surrendered.

I, too, hope that it will be possible for you to see our "outfit" before you leave New York - we think we have some material which historians have not fully appreciated.

Very cordially yours,

Dear Mr. Noe:

Enclosed is the third of a series of leaflets sent to inform you about the endowment needs and plans of the American Historical Association.

I believe there are certain public interests to which we as good citizens should make our contributions. I consider that the American Historical Association appeal preeminently places such an obligation on you and me.

In view of the large service this Association has already proved itself peculiarly fitted to render, a million dollars is none too much to ask. The committee of which I have the honor to be chairman is undertaking to secure \$500,000 from New York. I think we ought to raise it promptly.

May I ask you, knowing the amount sought, to make an appropriate contribution.

Yours sincerely,
